

Year 4 Homework Autumn 1

Please complete a minimum of two tasks per half term. You may present your work in any way that you wish. We look forward to seeing some of your amazing creations! Have fun!

Task Options	
SCIENCE: Make a model of the water cycle.	SCIENCE: Make a chart to show different uses of solids, liquids and gasses in your home
History: Research and compare the life of a Victorian child to the life of a child today.	PE : Make a list of instructions showing how to play hockey.
MATHS: Create a times tables grid. Make it as creative as you can.	ART: This is David Hockney's picture of Saltaire - can you create a sketch of it?
